Owned and operated by the City of Cerritos, the **Cerritos Center for the Performing Arts** presents an annual season from August through April. The schedule consists of an eclectic mix of artists. The Cerritos Center has been host to performances by Frank Sinatra, Whitney Houston, Clint Black, The Chieftains, Bill Cosby, Dave Koz, Lula Washington Dance Theatre and many others.

The **Cerritos Center** offers a unique, state-of-the-art, flexible performance space with variable seating and stage configurations, ranging from a 1,800-seat arena theater to a 900-seat recital hall setting. This flexibility provides the ideal setting for any performance. The 6,000-square-foot space transforms through a series of moving seating towers and mobile seating wagons, multiple floor lifts and moving ceiling panels.

In addition, the **Sierra Conference Center** is the perfect setting for banquets, parties or special events. The **Mojave Room** offers space for club meetings and small receptions. The Cerritos Center and all of its facilities are available for rental. Detailed drawings and CAD files are available for each of the six primary seating configurations, listed below.

- Lyric** - A 1,311 to 1,391-seat proscenium theater for musical theater, dance and popular music performances. An Orchestra Pit or Acoustical Shell is available.
- Drama** - A 921 to 1,083-seat proscenium theater for plays, recitals and chamber music performances. An optional upstage acoustical shell is available.
- Arena** - A 1,691 to 1,721-seat arena setting, with 500 floor seats surrounded by box seats and balconies on one side for popular music, comedy and jazz performances.
- Concert** - A 1,493 to 1,629-seat concert hall with in-the-round seating and acoustic concert ceiling panels for orchestras, recitals and acoustic performances. Half-concert and modified-concert configurations are also available.
- Cabaret** - A 1,324 to 1,504-seat cabaret setting with up to 67 tables and 412 chairs on a flat floor, surrounded by box seats and balconies, for jazz and other music performances. Exhibitions and conventions are also available with the floor cleared.
- In-the-Round** - A 1,845 to 1,934-seat in-the-round theater for popular music, comedy and jazz performances.
